

News from the Modular Units to the Parental Units

Well, here we are, already in the middle of our first six weeks! Having found our footing during the first two weeks, we are now moving full steam ahead (perhaps with steam emitting from our heads), both academically and athletically. Tests, it appears, are not only given in the classrooms, but they are also handed out to parents who are asked to balance school with sports, church activities, and family time! Piece of cake...store bought, of course, 'cause who has time to bake? For all that we are called to do, however, God has promised to equip us and, for good measure, be a shield to us as well. (It's a good thing...it's a God thing!) So, here are some highlights that I hope will be a "light unto your path" as you skip oh so merrily through these busy days. And, as you go, be sure to check out the school's website for complete sports and activity schedules (www.savannahchristianacademy.org).

Immediate Attention Needed:

- **Home soccer game on Monday (Sept. 14th):** Due to cataclysmic circumstances far, far beyond our control, a soccer game has been scheduled for 3:30 p.m. this coming Monday. While we're excited (extremely) about the opportunity to have a home game, the set time does pose a problem. With in-coming traffic and out-going traffic things could get pretty congested. So, to alleviate any potential fender (and/or temper) benders, here is the plan. **School will dismiss at 3:00 p.m. on Monday for all those who need to leave before the soccer game begins. For those who wish for their children to remain and watch the game, you may do so and pick them up at 4:45 p.m.** There is an admission fee of \$1.00 per student and concessions will be available. Supervision will be provided and manners will be minded.
- **Parent Meeting set for Tuesday, Sept. 15th at 6:30 p.m.** This is our first meeting of the year and therefore is quite important. To encourage parental participation, we are resorting to extreme (though still ethical, I think) tactics. The class who has the highest number of parents present will receive a week off from dress code! That's right, un-tuck and un-belt all you want for one week! Parents who have more than one child at SCA will be counted in each child's class. So, the gloves are off, we're taking these meetings seriously and we're quite sure that you'll be mercilessly reminded about this event!
