Code of Ethics

Because the mission of Savannah Christian Academy is to glorify God in all areas, student behaviors are to be exemplary at all times and in all places. This applies to student behavior off campus as well as on campus. At SCA, teachers strive to teach students the importance (and promised rewards) of Godly living. Our biblical worldview leads us to teach that all aspects of one's life are to be surrendered to our Lord.

In keeping with the Code of Ethics, parents and students must abide by these principles:

- Read and comply with the doctrinal beliefs set forth in the SCA handbook
- Agree to uphold and support the high academic standards of SCA
- Acknowledge that discipline is necessary for the benefit of each student as well as for the entire school and therefore agree to cooperate with the discipline plan as outlined in the SCA handbook
- Understand that the standards of SCA do not tolerate profanity, obscenity in word or action, dishonor to the Holy Trinity or the Word of God, disrespect to the personnel of the school, or continued disobedience to the established policies of the academy
- Pledge that if, for any reason, an unfavorable attitude to the school develops, attempts to rectify this will be done through the proper grievance channels and, if appeasement or restoration cannot be made, withdrawal from the academy will be done in a quiet manner
- Understand that if any damage is done to the school grounds, facilities, furnishings, supplies, or personnel, assessments will be made and will be covered by the party responsible
- Support will be given to the school through involvement in fund raisers, Parent-Teacher Conferences, Parent-Teacher Meetings, school programs, and school functions

We, as parents and students of Savannah Christian Academy, do sincerely give our pledge to the above items. We understand that failure to comply with these established requirements may lead to a student's loss of receiving the privilege to attend Savannah Christian Academy.
