The "modular" classrooms have been arriving at 3514 Cravens Road, being delivered two by two. And, as we learn from history, when things start gathering two by two, we should look to the heavens, for wondrous things are about to occur! (This isn't referring to the coming of destruction, but to the coming of deliverance!) Yes, I firmly believe that in the midst of these gray compartments, God is going to do a work that, upon its completion, will receive a divinely spoken, "It is good". I've been reminded that what made SCA a special place was not what was found in the building's physical structures but in their spiritual structures, and those are still stand-

ing!

In the days ahead, a newly formed campus will appear. And, in due time, another more stately structure will also arise. For now, we are waiting for the modulares to be properly "planted" so that we can resume school on August 7th. Plans are still to begin on this date, but, as we have learned in the past, plans are sometimes subject to change. If there are delays or deadlines that have issues with timelines, adjustments will be made. Any changes that will need to be made, however, will be known by July 29th (Open House night) and will be shared at that time. Also, updates to SCA's progress will be posted on the

Open House Date Set; Location...TBD (to be determined)

SCA will hold its **Open House** on Tuesday, **July 29th**, at 6:30 p.m. While it is our hope to meet in the luxurious cafeteria modular, it may be necessary to meet at a facility that currently has plumbing and electricity. In the event that the modulars are not ready, we will meet in the fellowship hall of First United Methodist Church Please

mark this date on your calendar and check SCA's website for the correct location. During Open House, parents and students can meet their new teachers, pick up supply lists, purchase school t-shirts, sign-up for Victory Ranch and receive a reminder of why Christian education, *Kingdom Education*, is something to be

valued, esteemed, and supported. Following a general assembly, parents will be able to meet with their child's teacher where they will receive additional insight as to the routines and responsibilities that will impact their child(ren).

V-I-C-T-O-R-Y; Victory, Victory, That's Our Ranch!

At Victory Ranch, one of the activities is the Climbing Tower. After conquering a task like this, tackling 20 math problems doesn't seem so tough!

Who's ready for school to start back? (No response.) *Who's ready for Victory Ranch?* (Yeah! Whoopee! Let's go!) Now, do you see why this event is scheduled for the second week of school?

The dates have been set for August 14th-15th. The cost will be \$95.00 per child (only slightly higher than last year's fee and still under the \$125.00 standard fee).

For those of you who are new to

our family, this trip to Victory Ranch is an annual event. It is open to all students (K-8) and it is scheduled during the second week of school. It is an overnight stay at one of the grandest Christian camps around. Located in Bolivar, TN, it is an easy drive and offers our students a wonderful opportunity to get reacquainted with old and to meet new classmates. Because this trip involves an overnight stay, it is not suited for everyone. In accordance to camp policy,

parents are not permitted to attend (unless additional chaperones are needed). Transportation is not provided; directions will be sent out as needed. A sign-up sheet will be available during Open House.

For those who do not wish to attend Victory Ranch, an all excuse granted two-day leave is awarded to you and your family. To learn more about this awesome camp, go to www.victoryranch.org.

SCA Welcomes New Teachers & Students

Our Goal At SCA is to promote Kingdom Education: A life-long, Bible-based, Christ-centered process of leading a child to Christ, building a child up in Christ, and equipping a child to serve Christ!

SCA would like to welcome (and introduce) the newest additions to our school's faculty. Our new **third grade teacher** (Mrs. Candy has moved up to fifth grade) is **Mrs. Vicki Galilik**. Her family has recently moved here from Memphis where she taught at Central Day School for the past four years. In all, Mrs. Vicki has fourteen years of experience in teaching and, along with her three children Tanner (3rd), Trey (1st),

and Jake (K), will bring a great deal of wisdom and energy to SCA.

Another new face (kind of...he did coach the boy's basketball team last year) is **Brian Reid**. Coach Reid comes to SCA from HCHS and brings with him ten years of coaching and teaching experience. Coach Reid's daughter, Katey, will also be a welcome addition to the second grade class! Coach Reid will be teaching **Bible and P.E.** for

grades 5-8 and will be returning as the **boys' head coach** for basketball.

Last, but not least, two familiar faces will be helping out with classes this year. **Mrs. Donna Wilkes** will be teaching **Tennessee history & geography** to the 7th/8th grade class and **Mrs. Joni Shank** will be doing **P.E.** for students in **K-3rd** grade. *Thank you, Lord, for adding to our number!*

Uniform Swap Is Up For Grabs

For the past several years, parents have been able to participate in a "uniform swap" at SCA. This process allows families to swap out clothing, helping not only the state of one's pocket book but also the state of the world's environment. After all, it's not just plastic, paper, and aluminum that can be recycled...khaki is also a very renewable resource! Though the slo-

gan "Go Khaki" never caught on like "Go Green", it is still a viable contender in the recycling slogan competition. This year, however, no one has offered to officiate over this eco- and SCA-friendly event. If you would like the honors (and the possibility of earning the Recycling Royalty" award, please call Mrs. Kris at 689-5393 or 926-1504. No previous experience is

necessary and *only* the following arrangements need to be made:

- Locate a place for the swap
- Set up a date and time
- Get info to Mrs. Kris to post on website
- Be present to oversee the swap (drop-offs and pick-ups)
