

Savannah Christian Academy's Code of Ethics

3514 Cravens Road Savannah, TN 38372 731-926-1504 (fax) 731-925-2605 www.savannahchristianacademy.org

Because the mission of Savannah Christian Academy is to instill into students a Biblical worldview that they might glorify God in all areas of their life, students are to understand that their lives are always a talking and walking testimony. Therefore, students of SCA are to understand that their speech and their actions are to be Christ-like whether off campus or on campus, after school or during school, while attending non-school events as well as school events, and whether in person or through media. SCA's belief is that a Biblical worldview requires one to surrender everything to Christ, allowing Him to reign over every area of one's life.

In keeping with the Code of Ethics, parents and students are to uphold these principles:

- Realize that SCA is an evangelical school with a mission to share the gospel of Christ with all students who have (by attendance to the academy) agreed to abide by the school's statement of faith. Therefore, the primary purpose of the school will always be to instruct students to understand, develop, and apply a Biblical worldview.
- Accept that, as a means of developing a Biblical worldview, students will be expected to live by the very pattern that is being promoted and practiced in hopes that it will one day be preserved within their life. (In short, all areas of one's life are to be surrendered to God; one's actions reveal one's faith.)
 - Patterns of Character Development are seen through:
 - Having a desire to learn
 - Being respectful
 - Being courteous
 - Showing honesty, humility, patience, forgiveness, and love
- Understand that the standards of SCA do not tolerate profanity, obscenity in word or action, dishonor to the Holy Trinity or the Word of God, disrespect to the administration (both church and school), staff, or students, nor continued disobedience to the established policies of the academy.
- Acknowledge that discipline is necessary for the benefit of each student as well as for the entire school and therefore agree to cooperate with the discipline plan as outlined in the SCA handbook.
- Understand that if any damage is done to the school grounds, facilities, furnishings, supplies, or personnel, assessments will be made and will be covered by the party responsible.
- Pledge that if, for any reason, an unfavorable attitude to the school develops, attempts to rectify this will be done through the proper grievance channels and, if appeasement or restoration cannot be made, withdrawal from the academy will be done in a quiet manner.

We, as parents and students of Savannah Christian Academy, do sincerely give our pledge to the above items. We understand that failure to comply with these established requirements may lead to a student's loss of receiving the privilege to attend Savannah Christian Academy.
